Stewardship Reflection

16th Sunday in Ordinary Time - July 23

"The kingdom of heaven may be likened to a man who sowed good seed in his field...He who sows good seed is the Son of Man, the field is the world, the good seed the children of the kingdom." Matthew 13:24,37-38

As children of God, we are all "good seeds," blessed by God with the potential to accomplish much good in the world. We fulfill God's plan when we share our talents and our financial gifts to help build God's kingdom on earth. Through our stewardship we sow "good seeds" to ultimately help each other get to Heaven!

Please pray for the sick, their families, and caregivers

Please call the office if you have any information regarding changes in status for the persons named above.

New Diocesan Logo

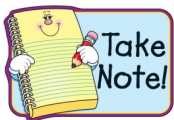

How can one describe the heart of a diocese, how can one reflect all the experiences and dreams of a diocese? With a diocesan logo!

Our new logo is made up of several elements. The majestic facade of our Cathedral proclaims the beauty and strength of our Church that has been here in Manitoba for 200 years. Our treasure of faith continues to inspire hope for the future and welcomes everyone.

Below the facade, the two waves symbolize the ever-flowing stream of life. From the time when Father Provencher and companions arrived at the junction of the two rivers, Red and Assiniboine, faith in Jesus Christ flows through our Manitoban land as a powerful river. The waters of our baptism carry us toward an ongoing renewal of our Church so that each Christian can be a true disciple and missionary, a witness of Jesus Christ – the Living Water who quenches the thirst of humankind.

The diocesan logo is drawn with the official colours of our diocese: yellow and blue. Yellow is the colour of the prairies which “overflow” – according to the motto of Bishop Provencher – with a bountiful harvest of faith and love. Blue represents Jesus Christ, the Living Water, the waters of our baptism and the Blessed Virgin Mary, patron saint of our diocese, Mother of God and Mother of the Church.

Saints Faith garden project update

Garden is looking very good, but we do have a deer that likes to browse on our veggies. The favorites seem to be beans, zucchini & squash. Moisture conditions are fair to good. None of our crops are failing yet; but we started watering some things like tomatoes, cucumbers, squash, wax beans, & zucchini about 1.5 weeks ago.

We hope to have yellow wax beans in two weeks; earliest zucchini are starting to form and we can possibly have zucchini and beets in a couple weeks as well. Carrots are looking very good; tomatoes plants are flowering with the odd tomato starting to form. God bless us, Steve

Please submit order forms to the office or directly to Rena Brown 204-471-0309. She will let you know when your order is filled!
